UNITED WAY FOCUS AREAS ADVANCE THE COMMON GOOD

EDUCATION forms the foundation for a student's entire life, opening doors, broadening horizons and creativity, and enabling children to succeed. United Way creates, leads and invests in initiatives that provide opportunities for students to develop positive lasting relationships and that provide strong pathways to graduation and success after high school.

HEALTH initiatives that address basic necessities can help individuals thrive and lead to safe and stable home environments. United Way invests in education programs that promote healthy lifestyles that range from teaching youth about nutritious meals and food security, to mental wellness and access to health care.

FINANCIAL STABILITY enables families to plan for the future, build good credit and weather unexpected expenses. United Way invests in programs that afford our neighbors the ability to save, receive advanced tax preparation services and invest in our local economy. UW's VITA Program saved families \$720,600 and secured \$5.1 Million in tax returns.

SAFETY NET United Way invests in the Transportation Voucher Program that helps residents keep medical appointments and search for employment. We also support shelters for victims of domestic violence and the homeless, addiction counseling, forensic interviews for child victims of abuse and much more.

UNITED WAY IMPROVES LIVES
BY MOBILIZING THE CARING
POWER OF OUR COMMUNITY TO
ADVANCE THE COMMON GOOD.
