

BUILDING STRONGER COMMUNITIES TOGETHER

2022 ANNUAL REPORT

MOBILIZING THE CARING POWER OF OUR COMMUNITY

A MESSAGE FROM THE PRESIDENT

Lilly Lopez-Killelea
President/CPO

In reflecting on our work and impact in 2022, I immediately think of the exceptional people that make United Way of South Texas a leader in health and human services. I am grateful for every member of this inspiring Live United movement—from our Board of Directors, corporate, education, nonprofit and civic partners, to our first-time and longtime investors, individuals, volunteers and staff. Many families, including the elderly, struggled with the effects of inflation, as prices increased rapidly for nearly every basic necessity. The overwhelming change often resulted in mental health crisis. Throughout this period, United Way continued to collaborate with partners to drive impact. Some of the work included investments in our Education Council, to fund emergency grants to support basic needs that became challenging to secure, including: clothing, prescription discount cards, transportation, school supplies and food baskets. Additionally, United Way expanded youth mentorship programs that offered students support groups, literacy projects and after-school youth programs. Thousands of families also benefited from free tax preparation services through the VITA program, allowing them to save and claim much needed benefits.

IMPACT IN 2022

United Way of South Texas funds over 100 programs that impact the Health, Education, Financial Stability and Safety Net of Hidalgo and Starr County families. We are the only local organization with the capacity to impact individuals from birth to end of life, resulting in the most impactful non-profit footprint in our two-county service area. Thanks to supporters, over 175,000 residents in Hidalgo and Starr Counties benefited from a United Way funded program in 2022.

EDUCATION

Social workers identify crucial needs of students in drop-out recovery programs, administer UW funded emergency grants and food pantries.
