UNITED WAY IMPACT AREAS

HEALTHY COMMUNITY

Improving health and well-being for all

Initiatives that address basic necessities can help individuals thrive and lead to safe and stable home environments. United Way invests in education programs that promote healthy lifestyles that range from teaching youth and adults about preparing nutritious meals and food security, to mental wellness and access to addiction and domestic violence survivor counseling.

YOUTH OPPORTUNITY

Helping young people realize their full potential

A child's education builds the foundation for their entire life, opening doors, broadening horizons and creativity, and enabling children to succeed. United Way creates, leads and invests in special programs that provide opportunities for students to develop leadership skills and positive relationships that lead to pathways to graduation and success.

FINANCIAL SECURITY

Creating a stronger financial future for every generation

Enables families to plan for the future, build good credit and prepare for unexpected expenses. United Way invests in programs that enable our neighbors to save, receive advanced tax preparation services and invest in our local economy. Every year, UW's VITA Program offers FREE tax preparation services to individuals and families who earn \$65,000 or less. Millions in tax returns are reinvested into the local economy.

COMMUNITY RESILIENCY

Addressing urgent needs today for a better tomorrow

United Way invests in services that provide direct assistance to victims of domestic violence and the homeless; addiction counseling; victim hospital accompaniment; disaster relief; military communication and much more. The Transportation Voucher program helps residents keep medical appointments, attend school and seek employment.
